

# PTBG SERIES

## BOTTLED GAS GATE

1,600 lb. Capacity

**The Chain and Sprocket Design is Reliable, Safe and Lighter Weight than Cable and Direct Drive Systems**

### STANDARD PTBG SERIES ADVANTAGES INCLUDE:

- Fence collapses with the platform using standard quick release pins to allow direct access to the cargo area
- Lightweight low incline aluminum ramp for easier loading and unloading of cylinders
- Load safety device - stops platform from dropping in case of lift chain failure

### OTHER STANDARD FEATURES:

- Fully enclosed power unit
- Master disconnect switch and 150-amp circuit breaker
- Weather sealed electric controls are easier and safer than mechanical controls
- Pressure compensated flow control valve controls platform descent regardless of load weight
- Powder coat finish on key liftgate components produces a high-quality finish that is exceptionally resistant to corrosion and abrasion
- A full 3-year warranty on the entire liftgate

**Pick-up truck application bottled gas gate. Direct-lift chain-style liftgate for maximum load stability.**
